

Tabelle für BRUTTO-NETTO-LOHN 2008

Stand: 1. Juli 2008

Arbeiter

Bruttobezüge monatlich in 10-€-Schritten.

Die Sozialversicherung wird für Arbeiter und Angestellte unter Berücksichtigung der Höchstbeitragsgrundlage (3.930 €) berechnet.

Die Brutto-Netto-Tabellen wurden bei Arbeitern unter Berücksichtigung eines Sozialversicherungsbeitrags von 18,2% (17,2% für Sonderzahlungen) und anhand der Effektiv-Tarif-Tabelle für die Lohnsteuer ermittelt.

Neu berücksichtigt (und gültig seit 1. Juli 2008) wurde in dieser Tabelle, dass der Arbeitslosenversicherungsbeitrag des Arbeiters entfällt bzw sinkt, wenn die monatliche Beitragsgrundlage eine bestimmte Grenze nicht übersteigt, und zwar:

- bis € 1.100: 0%
- über € 1.100 bis € 1.200: 1%
- über € 1.200 bis € 1.350: 2%
